## January Vendor Spotlight

*Each month we will feature a new Vendor that will be at the 2012 Montana State Fair in our newsletter, on our website and on Facebook. We hope this helps you learn a little bit more about the variety of things that you can get at the Montana State Fair!*

### Artsy Magnetic Therapy Jewelry

Artsy Magnetic Therapy Jewelry began in 2001 right here in Laurel, MT. My husband Gary has Osteo Arthritis throughout his body. He came to me one day and mentioned that he would like to try a magnetic bracelet. I said go ahead and see what it will do for you. (Although I wasn't sure about it) after all it cost \$35.00. It was worth it believe me.

Two days later when I arrived home from work

he mentioned he felt less pain. Well I was ready at that moment to try anything myself. I have Fibromyalgia and I was in a lot of pain that day, so I asked him if I could borrow it. I was amazed that 20 minutes later I felt so much better. My back didn't hurt, and my legs were feeling better. We were sold on the fact that magnets do work. I got one of my own. At that time it was an all black one. Which is okay, but I like a little Artsy touch. Black is great, but color and a little bling makes it so much better.

We wanted to learn more and we wanted to share it with everyone we met, and anyone in the world suffering like we were with chronic pain. We wanted the best natural type of Magnetic Jewelry that:

1. Worked,
2. Looked Great
3. Would have a lasting effect for everyone wearing it.
4. It had to be affordable for everyone

The only way to get all four was to build it ourselves. Our Name says who we are, it's a long one, but we didn't want to leave anything out in our name and we don't leave anything out in our jewelry. We use the best Magnetite, Silver, Crystals, Beads, Horseshoes, and Stones we can buy. Now for pennies a day you can have a beautiful piece of Artsy Magnetic Therapy Jewelry.

Here we are today almost 11 years later and we now sell our jewelry in many stores here in Montana and Wyoming. Right now our jewelry is available at two locations in Great Falls, 2J's Fresh Market on Smelter Ave and at Sherlocks Home on 10th Ave So.

Our designs are original. We make each piece ourselves and we create each one as though we would want to wear it. We do many Trade Shows and Fairs. Now it is time for the Web-site, so that we may share with people all over the world our Artsy Magnetic Therapy Jewelry. Eleven years in the business speaks for itself. Does it work? Yes we believe it does and it makes a difference in 1000's of people's lives every single day.

We truly hope that wearing our jewelry makes a difference in your life and helps to take away your pain and improve your overall sense of well being. Life is so great when we feel good. If we can help you achieve that, then we have done what we set out to do 11 years ago. If we have helped you, please tell others about us and if we haven't please tell us so we can help you get where you want to be. Pain Free.
