### **EXHIBITOR TIPS!**

1. Knit and crocheted articles MUST BE BLOCKED and show-ready.
2. Needlework will be judged with regard to beauty, degree of perfection, amount of work and suitability for the purpose for which it is intended.
3. Pictures framed must be evenly stretched with a neatly finished back. These need not be professionally done.
4. All wall hangings and pictures must be ready to hang. If rod is used, please include it with entry.
5. Excellence in sewing is determined in part by width and evenness in size of seams, hems, tacks, bands and gathers. Stitches should be fastened, basting removed and everything neatly finished. In appearance, the work should be neat, clean and pressed with the material suitable for garment in which it is used.
6. If garment appears to be out of proportion, please include a picture of the garment being worn. This will aid the judges and insure fairness of their determinations.
7. Pillow stuffing and/or forms must fill out the corners of the fabric.
8. Rugs should be neatly finished. Latch hook rugs should have raw edges worked into the back of the design.
9. Linens should be blocked and starched as appropriate.
10. Due to space constraints, accessories for items to be exhibited will be accepted by superintendent permission only.
11. Textile: A flexible material comprised of a network of natural or artificial fibers referred to as thread or yarn. Textiles are formed by weaving, knitting, crocheting, knotting or pressing fibers together.
